

Sutherland Bushwalking Club

How to Book into an Activity - Bilby Guidelines

- Log into the Sutherland Bushwalkers Bilby Site (Link from SBC website)
<https://sutherlandbushwalkers.mybilby.com/activities>

The screenshot shows the Sutherland Bushwalkers inc. website. At the top, there's a navigation bar with 'Activities' and 'Members' links. Below it, a yellow banner reads: '*** APRIL is Orientation Month *** All Bilby bookings for April are 'dummy' bookings ***'. The main section is titled 'Upcoming Activities'. It features a search bar and pagination controls (Page 1 of 8, Showing 1-10 of 74). Two activity cards are visible:

- Activity 1:** SYDNEY HARBOUR NP - WATSONS BAY TO EDGECLIFF STATION. Date: Fri 14th Mar 2025. Description: Bus from Edgecliff Station to Watsons Bay. Walk back to Edgecliff Station via bays, headlands & streets. Coffee and swimming along the way. App... Status: Members Only.
- Activity 2:** BUSHWALK - MADDENS PLAINS ESCARPMENT WALK. Date: Sat 15th Mar 2025. Description: Spectacular views of Clifton, Scarborough, the Illawarra escarpment and out to sea. We'll meet in the Shire and car pool south to... Status: Members Only.

All activities are listed in chronological order. You may prefer the 'upcoming' list view from the **Activities** drop-down menu at the top of the page, as you see more activities per page.

- Scroll through the list and click on the **Create Booking** button for the activity that you want to book. Click on the **Next** buttons and fill in any requested information to register your interest. You can include a message to the leader on the 3rd screen before you hit the **Create Booking** button.
- Note:
 - Creating a booking does not guarantee that you have been accepted as a participant. The activity leader will confirm your booking by email and your booking status will change from 'pending' to 'valid' in Bilby.
 - Further communication may occur via the Bilby Activity Messages for that activity, so check your messages and message board on the Bilby booking page before you go.
 - You can also communicate with other participants by using the Activity Message Board for things like car-pooling.

More information can be found on the Bilby information wiki.
